Call for Artists: Re-Imagining Home

Submission Form for Group Exhibition in 2025

Deadline: October 30, 2024

Sunbury Shores Arts & Nature Centre is inviting artists to participate in a group exhibition focusing on the theme of “Re-imagining Home” to be presented in spring 2025. Newcomer artists, and artists who have come to New Brunswick from elsewhere are often challenged by the experience of home as it was known in the past, and a new or different meaning of home in a new country and community.

Emerging and professional artists are invited to participate in an exhibition that represents their heritage and culture and reflects creative expression, a spirit of uniting, and the multicultural experience. Artwork in all media and size appropriate for an art gallery will be considered.

This is a juried art exhibition, therefore not all submissions will be selected. We encourage artists who are active and working today, with all skill and experience levels to apply.
